Chair:

Hello Family, Can't say a lot has been going on other than life, but I am glad to be able to be a part of it. I have been doing some sole-searching about remaining chair of the Tar-Roanoke Area and have decided to remain in the position until June. I feel there someone out there that will step up. I plan on remaining a active member of the Area and helping where I can. Thank for the opportunity to serve. Steve Ward Chair Roanoke-Tar Area (252) 903-5621

Tar Roanoke Area of NA
Treasurer's report
April 6, 2013

Dear Family,

Thank you for the opportunity to be of service to our area. I am enjoying my service commitment and look forward to our area growing as we continue in pursuit of our primary purpose, to carry the message to the addict that suffers.

In the attached report, you will see a detailed description of how much money was received at last month's area meeting, which home groups made the donations, and what the cost was associated with each expense.

In reconciling the bank statement, you will notice all outstanding checks and deposits listed that do not appear on the statement.

In reviewing the treasurer's report, you will notice there was a donation made to NA World Services of \$46.00. You may also note the regional meeting fuel expense of \$49.00 as well as policy expenses totaling \$30.00. We are currently operating at our prudent reserve of \$750.00. I have also included an analysis of the ASC income and NAWS donations as requested.

Please do not hesitate to ask me if you have any questions.

Thank you for allowing me to be of continued service,

Eric T. Webb

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, contact us as soon as possible. You may write to us at the following address:

BB&T Liability Risk Management
P.O. Box 996
Wilson, NC 27894-0996

You may also call BB&T Phone24 at 1-800-BANK BBT or visit your local BB&T financial center. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. Please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

We will investigate your complaint/concern and promptly take corrective action. If we take more than ten (10) business days to complete our investigation, your account will be credited for the amount you think is in error, minus a maximum of \$50 if we have a reasonable basis to believe that an unauthorized electronic fund transfer has occurred. This will provide you with access to your funds during the time it takes us to complete our investigation. You may have no liability for unauthorized Check Card purchases, subject to the terms and conditions in the current BB&T Electronic Fund Transfer Agreement and Disclosures. If you have arranged for direct deposit(s) to your account, please call BB&T Phone24 at 1-800-BANK BBT to verify that a deposit has been made.

If your periodic statement shows transfers that you did not make, tell us at once. If you do not inform us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days. This will occur if we can prove that we could have stopped someone from taking the money if you had informed us in time. If a good reason kept you from informing us, we will extend the time periods.

Important information about your Constant Credit Account

Once advances are made from your Constant Credit Account, an **INTEREST CHARGE**

will automatically be imposed on the account's outstanding "Average daily balance." The **INTEREST CHARGE** is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid **INTEREST CHARGE**. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

During our investigation process, you are not responsible for paying any amount in question; you are, however, obligated to pay the items on your statement that are not in question.
