April 14, 2018

To: Tar-Roanoke Area Service Body

From: Sabrina L., Treasurer

I am sending my report and attachments via email to ensure everyone has it at ASC. Friendly reminder, I am out of town and that is why I'm not in the meeting. However, since I have no alternate/vice treasurer, and we have no vice chair, I will be trying to get with the "Former ASC Secretary" to bring in checkbook for checks to be written as needed. Attached you will find the bank statement for March 2018. It reflects a balance of \$600, which is prudent reserve, all checks have cleared. Also attached is the donation/expense report.

As stated in last month's report, I am still in need of someone to be assigned to do an audit with me. I will continue to say this until the chair appoints someone to do this.

In Loving Service,

Sabrina L.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, contact us as soon as possible. You may write to us at the following address:

BB&T Liability Risk Management
P.O. Box 996
Wilson, NC 27894-0996

You may also call BB&T Phone24 at 1-800-BANK BBT or visit your local BB&T financial center. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. Please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

We will investigate your complaint/concern and promptly take corrective action. If we take more than ten (10) business days to complete our investigation, your account will be credited for the amount you think is in error, minus a maximum of \$50 if we have a reasonable basis to believe that an unauthorized electronic fund transfer has occurred. This will provide you with access to your funds during the time it takes us to complete our investigation. You may have no liability for unauthorized Check Card purchases, subject to the terms and conditions in the current BB&T Electronic Fund Transfer Agreement and Disclosures. If you have arranged for direct deposit(s) to your account, please call BB&T Phone24 at 1-800-BANK BBT to verify that a deposit has been made.

If your periodic statement shows transfers that you did not make, tell us at once. If you do not inform us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days. This will occur if we can prove that we could have stopped someone from taking the money if you had informed us in time. If a good reason kept you from informing us, we will extend the time periods.

Important information about your Constant Credit Account

Once advances are made from your Constant Credit Account, an **INTEREST CHARGE**

will automatically be imposed on the account's outstanding "Average daily balance." The **INTEREST CHARGE** is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid **INTEREST CHARGE**. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

Tar-Roanoke Area

From: Iuvina B.-outreach chair

It's been a busy two months for outreach especially since I missed last month's area. I have several things to report to the area and homegroups.

1. The Nash Correctional Institution meeting

The group itself in the institution is fantastic, we have an average of 22 inmates that attend with an average of 2 newcomers. Unity is very important to the group and old-timers to help and answer questions when newcomers come into the group. They have a format, group positions filled and are eager and hungry for their recovery. Some of the obstacles I have been facing with the institution are literature being approved (the group needs ALL IPS and living clean book), having sponsors, bringing in a phone list that was previously approved. Myself and the PR chair are waiting for institution approval to do an NA Presentation for the superintendent and Programs Director, we feel this would give them better understanding of the program and would eliminate all the red tape I am facing. The inmates would also love to have workshops such as what is the NA program and working the steps, however I am still waiting on approval for that as well even though the inmates turned in that proposal a year ago before I came into this position. We currently have myself and 2 volunteers going into this prison, as well as waiting for 2 other volunteers to finish the application. Again, I will state that I will not approach under institutions in our area until this one is squared away.

2. New NA/Recovery Groups

Please be aware of our 4th tradition which states "Each group should be autonomous except when in matters affecting others groups or NA as a whole". It has been brought to my attention (as the outreach chair) that we have several new NA groups popping up into our area. As this is good news and we welcome new groups please keep in mind our traditions. I was made aware of a new group in Roanoke Rapids that is sending a very confusing message, has no real understanding of our fellowship and is promoting methadone/suboxone use. They are using the NA symbols, and closing their meetings to "NA Suboxone members only" which as we all know, it is not an NA approved meeting. Several people in my homegroup have gone to that meeting and it was suggested to me that a presentation should be done to educate the Clinician that runs that meeting. I will work on getting in touch with her and see when myself and PR chair can meet with her to educate her on the NA program. If you hear of a new "NA" group please let me know, or if you would like for me to come with you to one please again let me know. It's not about being the NA police it's about spreading a clear message of recovering and not causing harmful confusion to the newcomer and our fellowship.

3. Services with outreach

If you are interested in doing service with outreach, I will no longer be bringing applications to meeting nor will I be meeting people at their homegroups for that sole purpose. If you are interested in

volunteering or have any questions, please come to the subcommittee meeting at area which meets the second Saturday of every month at noon. Also, if your application is approved please get with me before that institutional meeting to talk about some guidelines when going into the prisons.

I appreciate this area's support as I continue my service position and my primary purpose in this fellowship.

In loving service

Iuvina B.
