### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
P.O. Box 1014  
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

### Billing Rights Summary

#### In case of errors or questions about your Truist Ready Now Credit Line statement

If you think your statement is incorrect, or if you need more information about a Truist Ready Now Credit Line transaction on your statement, please call 1-844-4TRUIST or visit your local Truist branch. To dispute a payment, please write to us on a separate sheet of paper at the following address:

Card and Direct to Consumer Lending  
PO Box 200  
Wilson NC 27894-0200

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

During our investigation process, you are not responsible for paying any amount in question; you are, however, obligated to pay the items on your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount in question.

### Mail-in deposits

Title: Equipment purchase for hybrid meetings

**Summary:**

Authorize the RSC to spend \$1775 on equipment (Option B from proposal) to properly conduct the RSC virtually on Zoom as well as in-person (hybrid)

[See attached pdf for details](#)

**Intent:**

Since resuming in-person RSC meetings, the region has used equipment borrowed from the Capital Area at the quarterly business meeting. We appreciate their generosity. We discussed purchasing our own equipment at several RSC meetings and an ad-hoc committee was formed to investigate. The research led them to propose options at various price points and ultimately recommend the mid-priced option B at \$1775. This hybrid equipment option allows the NC Region to continue to support all the area RCM's, subcommittees and trusted servants who are quite a distance away giving them the ability to attend without incurring cost and travel time.

Title: Changes to Section 6: Voting to eliminate Quorum from NC Region of NA Policy Handbook

**Summary:**

Proposed changes:

**Change Section 6: Voting Subsection A) Existing:**

A 2/3 quorum, determined by roll call of member Areas at the beginning of the RSC meeting, is required to do business at the RSC. In the event that quorum is not met at the beginning of the meeting, a straw poll of the majority of members present may be taken to set aside policy for purpose of conducting the agenda.

**Proposed:**

A minimum of 4 RCMs is required to conduct business at the RSC. In the event that this requirement is not met at the beginning of the meeting, a straw poll of the majority of members present may be taken to set aside policy for purpose of conducting the agenda.

**Change Section 6: Voting Subsection B) Existing:**

Motions tabled for lack of quorum may be voted on as old business at the next RSC, regardless of quorum.

**Proposed:**

Motions tabled due to less than 4 present member areas may be voted on as old business at the next RSC, regardless of meeting attendance goal.

**Change Section 6: Voting Subsection D) Existing:**

A simple majority is defined as greater than 50% of the quorum.

**Proposed:**

A simple majority is defined as greater than 50% of voting members in attendance.

**Intent:**

## Page 19 of 20

The current policy defines quorum as 2/3 of the 11 member areas. Meeting this attendance goal has been extremely rare over the last several years requiring the RSC to suspend policy in order to do business. This motion eliminates quorum and defines a minimal RCM attendance policy to conduct business.
