### Ad hoc committee report:

What I was told by members who attended the convention was there were few huggers and it appeared that a few people were doing everything.

Attended final committee meeting and this was confirmed. The committee consisted of 4-6 people and the huggers were newcomers who were asked to 'greet' to get to know people.

The committee wants NA literature for newcomers at the next convention.

Elections were held with some members holding 2 positions which they may be willing to give up if qualified person seeks to serve. The same core group has served on all three committees since the convention started back up.

After Crossroads stepped out the convention became a subcommittee of Down East Area.

Convention policy is outdated, policy ad hoc will meet via zoom every Saturday morning via Zoom to achieve a more concise policy.

Convention currently has quarterly fund raisers and will be asking their area to fund them (approximately \$300 each).

140 people signed cleantime list at convention, it is believed the attendance was about 250 total including those who did not register.

Will check into updating website to allow online registration.

No additional needs committee but the hotel does provide assistance when needed, this is a small area convention.

When asked for password for archive minutes section on website was told there are no archive minutes.

Closing treasure report is attached, several checks were presented at meeting which brought balance above prudent reserve. I apologize I meant to call Arlene and get ending balance.

Assure that all members present had copies of 41 page 20-year-old (current) policy for the convention as well as Georgia Region Convention guidelines as an example of how to streamline and be effective. Elected Arlene as chair of ad hoc committee meetings. The committee also has Groupme for group text to share info between and about meeting. ### Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)

Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management  
 P.O. Box 1014  
 Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Truist Ready Now Credit Line Account

Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

### Billing Rights Summary

#### In case of errors or questions about your Truist Ready Now Credit Line statement

If you think your statement is incorrect, or if you need more information about a Truist Ready Now Credit Line transaction on your statement, please call 1-844-4TRUIST or visit your local Truist branch. To dispute a payment, please write to us on a separate sheet of paper at the following address:

Card and Direct to Consumer Lending  
 PO Box 200  
 Wilson NC 27894-0200

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

During our investigation process, you are not responsible for paying any amount in question; you are, however, obligated to pay the items on your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount in question.

Regional meeting was attended by me via zoom.  
The audio was poor due to equipment. Next  
Regional meeting should be held in Greenville NC  
in April pending approval by the downeast  
area who was not present due to  
convention.
