## RCM REPORT:

7/8/16

Hello Family,

This is my first report, let me begin by sharing about North Carolina Region.

### What is the North Carolina Region of NA?

The North Carolina Region of NA is comprised of nine separate areas, the Cross Roads Area, Down East Area, Inner Coastal Area, Greater Sandhills Area, Greensboro Area, NC Mountain area, Our Primary Purpose Area, Tar-Roanoke Area and Southern Piedmont Area.

Home groups guide Area, which guide Region and Zonals and in turn guide world services.

NC Region meets the 4th Saturday of the month in January, April, July, and October at Noon.

Hinshaw United Methodist Church  
4501 High Point Rd  
Greensboro, NC 27407

Any NA member is invited to attend.

Web site: <http://ncregion-na.org/>

See Next couple pages concerning *Fellowship Intellectual Property Trust (FIPT)*.

-At the WSC in the last session the World Board asked if the conference wanted to make a statement regarding the FIPT to be reviewed for 90 days. Our Region Voted no. I do not recall seeing this as an item of our voice.

Excerpt:

As the service body of NA to which is delegated the responsibility of reflecting the collective voice of the NA groups, we make the following requests:

- NA groups who are using literature in NA meetings that is not NA approved, please stop.
- Individuals who are printing, posting, and distributing NA literature (both approved and non-approved), please stop.
- Service committees who are posting NA recovery literature, please stop.

We ask this in the spirit of unity, and in support of our collective mission to carry the NA message to the addict who still suffers.

I had sent an email to GSR's earlier in the week once I received this from the outgoing RCM

Please review and discuss with your home group and forward your feedback to me prior to 24 July Region.

Thank you for allowing me to serve

At the WSC in the last session the World Board asked if the conference wanted to make a statement regarding the FIPT to be reviewed for 90 days. We voted no. I wanted to get this to you before our meeting later this month so we can get our input back. Your input is important. I'd like your thoughts before we get too much input from our delegates.

See you in a couple of weeks!

**Subject:** FIPT discussions

Greetings Conference participants,

As you know, at WSC 2016 we discussed a number of issues related to the *Fellowship Intellectual Property Trust* and the protection of NA literature. One of the elements we discussed was the statement from the 1991 WSC (see the "Significant WSC Actions and Amendments" section of *A Guide to World Services in NA*).

During the Moving Forward session delegates were asked if they wanted an additional statement from WSC 2016. We explained that the statement would be sent to delegates for a 90-day review and approval, or a 60-day review and 30-day approval. The responses were:

	<b>Yes</b>	<b>No</b>	<b>Abstain</b>	<b>Present Not Voting</b>
First Poll	73 (64%)	36 (32%)	5 (4%)	3
Second Poll	79 (66%)	40 (34%)	0	0

Attached is a draft of the statement for your review. You can also find the draft on the Conference participant FTP site. Log-in instructions are included below. We are sending this to you for 60 days and will send out a revised statement that

incorporates your input for your approval.

We have tried to make it clear in the title of the attached document that this is a draft and has not been approved. It is not intended for distribution until after delegate review and approval. We are not trying to prevent you from gathering ideas from others but did not want to post this draft on na.org and confuse members as to whether or not this statement is approved. We are asking you to send your ideas and comments back to us online by 1 September so that hopefully, we can then send out the final statement for a 30-day approval.

The online survey can be found at [https://naws.formstack.com/forms/fipt\\_survey](https://naws.formstack.com/forms/fipt_survey). It contains the questions listed below. We welcome input on the statement from all Conference participants who were eligible to be present at WSC 2016. We will only be tabulating the yes or no responses from delegates.

We would like to know if you

- Would approve the statement as written
- Would approve the statement if revisions were made
  - And those revisions are \_\_\_\_\_

OR

- Would never approve a statement

Please provide any additional input on the statement or other comments.

**Draft Statement for delegate review by 1 September 2016**

**A statement from the WSC 2016 regarding NA intellectual property and the integrity of the NA message**

One of the most important topics we discussed at World Service Conference 2016 was the reproduction and use of NA literature as it relates to group registrations and local NA websites. Present were 215 Conference participants, including 16 World Board members, and Regional Delegates and Alternate Delegates from 112 regions, representing 40 countries and speaking 26 languages.

As a Conference we were able to find consensus when it comes to protecting our intellectual property and the

availability of a low cost Basic Text.

- 95% of delegates believe the Fellowship still affirms the rules contained in the *Fellowship Intellectual Property Trust (FIPT)*.
- 86% of regional delegates did not support the CAR motion that asked for a low cost Basic Text (This is the tenth time the WSC has been asked and did not support this idea).
- 83% of Conference participants see earlier approved versions of our Basic Text as meaningfully different than hybrid versions that have never been Fellowship-approved.

With strong support, we agreed on the following:

- 74% of delegates believe that NA World Services should not register groups that clearly intend to use material that is not NA Fellowship-approved in their meetings.
- 71% of delegates believe that NA World Services should take action to remove NA recovery literature from ASC/RSC websites, even if it means shutting down the site.

And while there was support, this issue would benefit from more discussion:

- 63% of Conference participants want to say that NA groups use current editions of NA Fellowship-approved literature.

The *FIPT* is clear: NA literature belongs to the Fellowship as a whole, the groups are given voice through their delegates at the WSC in any decisions regarding NA literature. NA recovery literature is copyright-protected and not available for editing. NA literature is not available for printing locally or for posting on local NA websites.

*The Group Booklet* is also clear that NA groups use only NA approved literature in their meetings. As a Conference, we agree that groups who choose to use unapproved NA literature (most commonly, the gray form or the baby blue) in their meetings are in conflict with the guidance in the booklet and the conscience of the Fellowship.

The NA program is one of honesty and integrity. At some point we must stand together as concerned members and insist that those who initiate and support these activities simply stop. As participants of WSC 2016, we agree that now is that time. There will likely never be unanimity on these issues, but it is our role to reflect the conscience of the Fellowship expressed at WSC 2016. We also believe this is echoed by the ongoing commitment of the NA Fellowship to the guidance offered in the *FIPT*.

As the service body of NA to which is delegated the responsibility of reflecting the collective voice of the NA groups, we make the following requests:

- NA groups who are using literature in NA meetings that is not NA approved, please stop.
- Individuals who are printing, posting, and distributing NA literature (both approved and non-approved), please stop.
- Service committees who are posting NA recovery literature, please stop.

We ask this in the spirit of unity, and in support of our collective mission to carry the NA message to the addict who still suffers.

**Tar Roanoke Area of NA  
Treasurers Report  
July 2016**

Hello Family,

In the attached report you will see a detail description consisting of July 2016 Bank statement, and Monthly reports; detailing income and expenses. The Monthly Table is a rolling table capturing our 12 month donations and expenses with averages to verify our prudent reserve.

For June 2016, Area home groups have donated \$198, our expenses, for a total of \$200, giving us a balance of \$748, which is below our prudent reserve. Our outstanding checks currently check # 312 for region donation of \$16.12, was cashed. We had a \$2 Monthly bank service charge.

I put a motion in to use deposit slips and make a deposit to any BB&T branch ASAP. That way I'm not going out of my way, and can deposit in local branch.

The past treasurer gave me the groups deposit bags, and I read the policy which states to use them. Well talking with the bank there is a \$2 charge for each bag, and no charge for deposit slips. That is where the \$2 service fee is coming from.

Our three month average expense is \$663, which is less than our three month \$750.00 prudent reserve (3 Months expenses). For the last 12 Months, our monthly average Home Group contributions were \$1189/Month and our Monthly average expense for the year is \$215 /Month, equating to a \$26 deficit/month. We had eight months in the last 12 months where our expenses were greater than our home group contributions.
