Inner coastal and down east convention

Asking us to their convention efforts, see attached

The DEICCNA Convention committee presented to us opportunities to help. He presented to the body the current status of the convention and stated they are still in the seeking phase for locations and dates not to conflict with any other convention and also keep costs low, looking for off season time slots, He discussed hotel searches, and low support. There is plenty of time to participate in their next committees. Also stated current members do not want to change the name or vision statement. See attached letter. For location of next meeting see Phil G 919-906-

Tar Roanoke Area of NA
Treasurer's report
June, 2015

Dear Family,

Thank you once again for the opportunity to be of service. In the attached report, you will see a detailed description of how much money was received at last month's area meeting, which home groups made the donations, and what the costs are associated with each expense. In reconciling the bank statement, you will notice all outstanding checks and deposits listed that do not appear on the statement.

In reviewing the treasurer's report, you will notice there was a donation of \$43.00 made to the NC Region of NA. We are currently operating at our prudent reserve with a period closing balance of \$750.00.

Please do not hesitate to ask me if you have any questions.

Convention Committee

6-13-2015

We as members of the convention committee would like to extend a hand to see if there is any interest with this body to be a part of our convention and to help with our fund raising efforts. Since this convention is held in the eastern part of the state, we want to involve all of our resources that include knowledge of recovery, and the business aspect of what it takes to put a convention on.

We hope that you take the time to consider the opportunities this may bring to your area, but most important being a part of the recovery events that go on close to you.

We meet the first weekend of every month (unless there is a change) in Goldsboro, NC at 1pm. If you are just interested in what we are doing please feel free to come and see. You may give me a call for further details on our meeting location.

Yours truly

Phil G
