Open Discussion:

Owen: Nashville, who updates online policy? Secretary, Policy, web master?web master puts it on line. Will Michael Mc be RCM and policy and web Master and RCM? Owen wants to be apart of RCM. Dudley States we have a motion for RCM tenure for 2 years, there is more to it than going to region; especially a CAR that can run you over, it's important we vote on the CAR so we can tell World what to do....

Steve: Motion to accept 2015 Policy H&I had a \$65 dollar budget but the motion states \$65 start up and then \$40, see Dec 2014 minutes for the motion, Dudley: we need to correct and then resend for correction. If it gets voted in it will be incorrect.

Dudley: The guide to local service is a large volume book that will simplify matters if we as individuals got familiar with it; it has Roberts Rules of order which helps guides meets formats. It's Free on NA.org.

Owen: World is switching to Consensus base decision making are we investigating that or are we staying with Roberts Rues of Order? What's more effective for us? We do not have a large consensus! Michael Mac believe its better for larger groups but the principles and understanding the guide to local service understanding helps to understand motions and how we work. Dudley: Uncertain of decision based decision making and we removed Capital area from our policy capital Area use both types Consensus and Roberts if Consensus does work they use Roberts Rules of order...how do we split 3/5 how do we get consensus....Steve: a lawyer help Capital area understand consensus once he left they had trouble. Jeff: If I change a vote from my group isn't that against conscious? Dudley: True consensus every member of every home group came to area and voted. If my HG votes no that's our vote. As a GSR he asked his own HG does he have there permission to vote in best interest of the home group' all is theoretical because there is not motion for consensus base.

Since we spent lot a time on this we should move to old business or does anybody want to read a concept: no response we moved on.
