They may group proposals that have similar themes (much as is done currently).
- 3) New Proposal packages and surveys will be distributed to Conference participants Wednesday evening.
 - a) Each participant will be asked to complete the survey, identifying the proposals or topics they wish to discuss with a “yes” and those they do not wish to discuss with a “no.”

Participants can choose to vote “yes” or “no” for every proposal, none of the proposals, or any number between.

b) The deadline to complete and turn in New Proposal surveys is noon Thursday.

4) Surveys will be tabulated; all results will be provided to Conference participants Thursday evening.

a) The proposals or topics that receive the most “yes” votes will be identified for discussion in small groups. We will seek the Conference’s concurrence on the small-group discussion topics.

b) All proposals that were submitted and not discussed will be included in an appendix to the WSC minutes.

5) New Proposal discussions will take place in two 90-minute breakout sessions on Friday.

a) We will meet as a large group prior to the start of the small-group discussions to review the proposals and agree on a frame (depending on topics and intended outcomes), so that there is a common understanding of the process and goals.

b) There will be five breakout rooms, two for RDs, two for ADs, and one for Spanishspeaking participants.

c) Each session in the breakout rooms will have time for both small- and large-group discussions on each topic. Each breakout room will be asked to agree on outcomes of their discussions to report back to the Conference.

d) Session outcomes will be compiled in preparation for the Saturday morning session.

6) Large-group follow-up on small-group sessions (Saturday morning)

a) We will report the points of agreement or disagreement from the breakouts, and facilitate a discussion on how to move forward. This could include additional large-group or smallgroup discussions.

b) Either here or in Moving Forward, the Conference will decide how to carry forward proposals or topics that received considerable support but were not identified for discussion.

7) Moving Forward session (Saturday afternoon)

a) Any outcomes from the New Proposals process that need a final vote will be addressed.

b) Any other issues from the week's work that need a final vote will be addressed.

To adopt the following approaches for CAR Business:

Rename the session CAR Discussion and Decisions

Eliminate formal CAR Business

If a motion has consensus in the first straw poll (80% or more of voting participants in support or not in support of the motion), the Conference will have the option to discuss and decide on that motion without any changes (amendments) if participants wish.

The Cofacilitators will make it clear to all participants when the Conference is making a final

decision. Final decisions on Motions will be taken in the CAR discussion and decision session.

For CAT business:

Address Conference Approval Track (CAT)–related decisions in the same way described above

for CAR-related decisions, including renaming

the session CAT Material Discussion and Decisions.

The CAT Material Discussion and Decisions session would include:

- Approval of NAWS budget
- Approval of project plans
- Decision on any requests for seating (including any proposals submitted at the WSC)
- Any Most World Board proposals motions included in the CAT
- Any proposals amendments to change any of the above items

To acknowledge in the upcoming *GWSNA*, that formal new business has been eliminated. The process used at WSC 2018 to discuss New Ideas will continue to be developed in the cycle.

A

motion will be included in the 2020 CAT and offered at the start of WSC 2020 to outline the process to be used for that Conference.

Motion #55 World Board

Approve a vetting process for amendments to motions. The WSC Cofacilitators will ensure that the amendments are clear and lend themselves to a yes/no vote.

Motions for the *CAR* and CAT have policies to ensure that they are clear and lend themselves to

a yes/no decision. Proposals made to amend these motions do not have the same requirements.

To: Tar-Roanoke Area Service Body

From: Sabrina L., Treasurer

Attached is the bank statement for August and the donation sheet.

The bank statement reflects \$1,414.52 which \$814.52 is over prudent. Per motion to pay ASC rents to churches used within the last 3 months, that was done last month. Donation still has not been made to Region due to misunderstanding of motion to create Activities Subcommittee. It was noted after distribution of minutes that it was a policy motion and 2/3 of the groups needed to agree for it to pass, that was not the case at last ASC.

There are three months remaining for this calendar year and this Treasurer will be stepping down from this position at the end of my term. PLEASE try hard to consider/pray for stepping up to this position or seeking someone to do so. I will not take it for another term. I will be willing to start in November training the prospective candidate. Pass this information on, as it is imperative to get someone, trustworthy and committed, to continue in this important position at area.

In Loving Service,

Sabrina L.
