**September 2016**

Hello Family,

In the attached report you will see a detail description of August 2016 Bank statements, along with our monthly reports; detailing income and expenses. The Monthly Table is a rolling table capturing our 12 month donations and expenses with three month averages to verify our prudent reserve. I added our newest Home group Choanoke Choices to the list.

For August 2016, Area home groups have donated \$88, and our total expenses, was \$210.98, giving us a balance of \$626.92, which is below our prudent reserve, by 123.08 cents. Per Policy we had an internal Area conscious and voted to pay bills that took under prudent reserve. We have no outstanding checks. We had no Monthly bank service charge.

Our three month average expense is \$541, which is less than our three month \$750.00 prudent reserve (3 Months expenses). For the last 12 Months, our monthly average Home Group contributions were \$161/Month and our Monthly average expense for the year is \$212 /Month, equating to a \$51 deficit/month. We had 7 months in the last 12 months were our expenses were greater than our home group contributions.

## Region report August 2016

Hello family,

- Thank you for allowing me to serve. Our Area is in need of an Alt RCM, if interested come to Area and fill out a resume.
- I sent our Area information back to our RD and RD sent this email:

**Subject: WSC 2016 Statement**

I received feedback from several RCMs and groups. The consistency seemed to be that in general you guys were not against the statement but were against certain things. This is what I sent in:

I stated that we would approve the statement if the following revisions were made:

Remove everything after the 5th bullet point that starts 71%...

**These are the comments that were provided:**

**Why do we think that this topic that failed 2/3rds required majority needs more discussion, when we don't think that other items that failed 2/3rds majority need more discussion. What makes this issue more important?**

**The statement about the FIPT being clear is incorrect. Currently literature is available for groups to print locally. This statement would constitute a change to the FIPT. The procedure for changes to the FIPT are spelled out in the FIPT and do not include straw polls at the WSC.**

**The Statement about the Group Booklet being clear about what groups can use or not use is also incorrect. I suggest that you read the introduction to the Group Booklet. "...So what we offer here is not a "rule book" but the shared experience of how many of our groups have met with success in conducting meetings and tending to business..." among other things.**

This is what will happen next. The WB will consider all of the RD's and RDA's suggestions and will send out a final statement for a 30 Day approval. I will send out the final statement as soon as I get it and we should have time to vote on it or discuss it in our October RSC meeting.

In Service,

Neal S.
