The NA Meeting

The purpose of each meeting is to give NA members
a place to share recovery with other addicts. If you
are not an addict, look for an open meeting, which
welcomes non-addicts. If you're an addict or think
you might have a drug problem, we suggest a
meeting every day for at least 90 days to get to know
NA members and our program.

General information that applies to NA meetings

We are not concerned with types or amounts of drugs
used; we focus on the ways addiction and recovery affect
our lives. NA meetings are not classes or group therapy
sessions. We do not teach lessons or provide counseling.
We simply share our personal experiences with addiction
and recovery. Meetings are often held in churches,
treatment centers, or other facilities, because these places
tend to be affordable, available, or convenient. NA is not
a part of or connected to any other group, organization,
or institution. To respect the anonymity of all of our
members, we ask that people who attend our meetings
not talk about who our members are or what they share
