The NA Meeting

The purpose of each meeting is to give NA members a place to share recovery with other addicts. If you are not an addict, look for an open meeting, which welcomes non-addicts. If you're an addict or think you might have a drug problem, we suggest a meeting every day for at least 90 days to get to know NA members and our program.

General information that applies to NA meetings

We are not concerned with types or amounts of drugs used; we focus on the ways addiction and recovery affect our lives. NA meetings are not classes or group therapy sessions. We do not teach lessons or provide counseling. We simply share our personal experiences with addiction and recovery. Meetings are often held in churches, treatment centers, or other facilities, because these places tend to be affordable, available, or convenient. NA is not a part of or connected to any other group, organization, or institution. To respect the anonymity of all of our members, we ask that people who attend our meetings not talk about who our members are or what they share
